

**Girl Scouts of Greater Atlanta, Inc.**  
**WISH LIST**

- **Gas powered golf carts (4)** – For use in delivering supplies to outlying areas at camp and for transporting individuals with medical needs. The golf carts should be in good working condition. Approximate value \$2,000 each, depending on condition.
- **Phillips HeartStart OnSite defibrillators (8)** – The automated external defibrillators can be used by non-medical personnel to treat individuals in cardiac arrest thereby helping to save lives. Since many of our camp programs serve girls and their families, the defibrillators need to be conducive to both children and adults. The defibrillators will be placed in public areas of all camps and office buildings. Approximate value \$1,400 each.
- **Pontoon boat (1)** – The pontoon boat will be used to monitor the environment and ecosystem at Camp Pine Acres. In addition, girls will be able to participate in hands on water education programs where they will gain knowledge, awareness, appreciation and stewardship of our environment. The boat should consist of 24 ft. diameter tubes; plywood deck; running lights; tachometer; 24 gallon built-in gas tank; 2 front bench seats; L-group seating in rear; canopy; 75 hp outboard motor; all aluminum transom. Approximate value \$20,000, depending on condition.
- **13'9" SunFish sailboats (6)** – SunFish Sailboats are used at all camp sites to promote healthy living and increase self-esteem through skill progression for girls who normally do not have the opportunity to experience this activity. Approximate value \$2,000 each, depending on condition.
- **50" or larger flat screen TV** – Camp Misty Mountain is in need of a new or under warranty TV so that girls at camp will be able to view training and educational DVD's on nature, dance, sign language to supplement core programs. Approximate value \$1,500, depending on condition.
- **Commercial refrigerators 25 cubic ft. (2)** - Camp Misty Mountain and Camp Pine Valley are in need of new or under warranty refrigerators that have french doors and a bottom freezer (no ice maker or in-door water) so that girls at camp can be taught the importance of how to keep foods at a safe and proper temperature while learning how to prepare and cook a variety of food products. Approximate value \$2,400 each.
