

Cross Training Sports Camp

Cross Training Sports Camp is a Christian ministry committed to the teaching of sports. Each year the organization puts on camps locally and abroad. This year they will be held in Gainesville, Georgia, Montana and East Africa.

Volunteers are needed to help make keepsake bracelets that are given to each child who attends the camp.

The supplies for the leather bracelets are donated. Each bead on the bracelet represents a Bible Verse.

If you or your troop would like more information on how to get kits to make the bracelets contact

Pam Malfitano at 678-957-0458.

Pam is also willing to conduct bracelet workshops during troop meetings.
