

Girls Care Initiative Take Action Newsletter

Girl Scouts®
Girl Scouts of Greater
Atlanta, Inc.

Volume 1, Issue 1
October 2009

What is *Girls Care*?

The *Girls Care* initiative encourages girls to step into leadership roles while serving their communities. Leadership opportunities allow girls to **Discover** the world around them, **Connect** with others and **Take Action** to solve problems and improve their communities.

Girl Scouts Forever Green Community Action Project

Girl Scouts of Greater Atlanta has been selected as a pilot for the Girl Scouts Forever Green Community Action Project for the Girl Scouts of the USA's 100th Anniversary in March 2012. Girls in our area will be encouraged to report projects done in their schools, houses of worship or communities to our Web site "green" page, *Girl Scouts Have Always Been Green* found in the About Us section. Check back often for more details!

Things to remember:

 Please send your community service projects to "Send Us Your News" on our Web site under the Take Action (formerly Contributing to Society) tab or contact the *Girls Care* Coordinator.

 All troop members will receive a Community Service Participation Certificate when project information is submitted on the Web site or to the *Girls Care* coordinator, caphillips@gsgatl.org.

"As an astronaut, I saw the Earth from space, and realized we all share the same water and air. Space travel really impressed upon me the importance of taking care of our planet, something I first learned as a Girl Scout!"—Eileen Collins, NASA's first female Space Shuttle commander, former Girl Scout

Girl Scouting builds girls of courage, confidence and character, who make the world a better place.

"Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has." — Margaret Mead
